

**NATIONAL ASSOCIATION OF WOMEN IN CONSTRUCTION
ATLANTA CHAPTER
MONTHLY DINNER MEETING**

Date: Tuesday, September 9, 2008
Conference Time: 5:30 PM Networking –
6:30 PM Program/Dinner
Location: Georgia Tech Hotel & Conference Center
800 Spring St., NW; Atlanta, GA 30308

**PROGRAM SUMMARY: Maximizing Your Association Membership(s) and
2008-2009 Officer Installation**

Please join as we learn from several busy networking women on their experiences of maximizing their membership in various trade and business organizations. Hear how they have gained knowledge (personal growth and development), business opportunities and perhaps even jobs through their active participation in associations. The discussion will also include how to obtain company support in tough economic times, time management, the decision to step up to the plate and take a leadership role, different types of members/leaders and the best way to network for business and personal growth. This will be a panel discussion including Stacey Chapman, CIT of Heery International, Beniquez Johnson of New South Construction, Diane Taylor of the Georgia Chamber of Commerce and Kim Cameron, CIT of the Metropolitan Atlanta Community Development Corporation.

The Changing of the Guard

It's hard to believe but it is that time of year again; when we say thank you and goodbye to the current board and the new board is installed. Please join us for our annual Board Installation ceremony. This is a great opportunity to get to meet the new Board members and thank those who have served this year. Show your support to these women who have taken on the challenge of being the voice of the chapter. These women have worked hard for you all year long and now it's time to show them our appreciation. Join us as we salute those that are retiring from the board of directors and those that are stepping up to lead us into the future.

DEADLINE FOR RESERVATIONS: NOON - Wednesday, September 3, 2008

Register online at www.nawicatlanta.org/calendar.htm

Cost: Member \$35 Non-member \$45
